

# NEBRASKA JUDICIAL BRANCH SKILL BUILDING 2025

## SKILL BUILDING AT-A-GLANCE

Skill Building is a language neutral training that prepares certification candidates for the Oral Exam and provisional certification candidates to work in the court and probation settings. The workshop will build upon the sight translation, consecutive interpretation, and simultaneous interpretation skills learned in Orientation. A strong correlation exists between attending a Skill Building workshop and passing the Oral Exam

You must be able to attend Skill Building both days from 8am - 4pm via Zoom.
